ACKNOWLEDGEMENTS

Any assignment puts to litmus, test of individual's knowledge, credibility or experience and thus sole efforts of an individual are not sufficient to accomplish the desired task. Words shall never be able to describe neither the spirit with which we worked together nor shall they ever be able to express the feeling we felt towards our guides. Successful completion of a project involves interests and efforts of many people so it becomes obligatory on our part to extend our thanks to them.

I take this opportunity to thanks **Prof. Vivek Krishna** Supervisor, and for accepting me to work under his valuable guidance, closely supervising this work over the past few months and offering many innovative ideas and helpful suggestions as and when required. His valuable advice and support, was an inspiration and driving force for me. He has constantly enriched my raw ideas with his experience and knowledge. Indeed, it was a matter of great felicity to have worked under his aegis.

I would like to thanks to **Prof. S. D. Singh**, HoD Accurate institute of management & technology, Greater Noida for his valuable guidance and motivation.

I also wish to thanks my all-respected teachers (Teaching and Non-Teaching), for their support and guidance during my project work. I extend my gratitude to all teachers of department Computer application and colleagues, who have always been my side, through thick and thin during these years and helped me in several ways.

Last but not least I'd like to thank "**The Almighty God**", my Parents, my family and my friends who directly or indirectly helped me in this endeavor.

AMAN SINGH (2302250140007)
